

TPE

KRAIBURG
CUSTOM-ENGINEERED TPE AND MORE

THERMOLAST® V

TPE with excellent long-term performance
at high temperatures

Advantages at a glance

- Excellent thermal stability
 - » High permanent working temperature
 - » Low-temperature elasticity to $-40\text{ }^{\circ}\text{C}$
- Excellent sealing properties
- Excellent mechanical properties
- Processing by multi-component injection molding
 - » 50 to 80 Shore A with adhesion to PP
 - » 50 to 80 Shore A with adhesion to PA
- Very good resistance to UV and weathering
- Smooth surface
- Various coloring options available in-house
- Recyclable
- Well established in different sealing applications in the automotive industry
