### **KRAIBURG TPE to Showcase Innovative Medical and Healthcare TPE Solutions at Medical Fair Asia 2024**

KRAIBURG TPE, a global thermoplastic elastomer (TPE) manufacturer is participating in [Medical Fair Asia 2024](#), from **11 - 13 September 2024** at **Booth 2S12, Marina Bay Sands, Singapore**.

Specializing in high-quality TPE materials, KRAIBURG TPE offers solutions renowned for exceptional performance, safety, and reliability. These materials are engineered to meet stringent international standards, including EU Regulation No 10/2011, FDA CFR 21, ISO 10993-5, GB/T 16886.5, REACH SVHC, and RoHS Directive. They are free from animal ingredient, PVC, silicone, latex, and heavy metals, ensuring non-toxicity and compliance with strict medical industry requirements.

KRAIBURG TPE materials provide a soft non-slip grip, enhancing comfort and usability in medical devices such as [surgical instruments](#), diagnostic equipment, and wearable devices. Available in a wide range of hardness levels, colors and formulations, they offer customizable solutions to meet specific application needs to ensure safety and hygiene as well as good adhesion with various polar thermoplastics and aesthetic preferences.

Ideal Applications include:

- Handles and grips for surgical instruments
- Seals and gaskets for medical equipment
- Plugs and connectors
- Soft-touch components for diagnostic devices
- Wearable medical devices
- Stoppers and [caps for vials and syringes](#)
- Sealing rings for medical packaging, and more.
